Multi Flex

A natural source of Glycosaminoglycans

This is a natural body lubricant that keeps joints and cartilage tissue healthy.

Performance Plus

A comprehensive multiple vitamin and mineral formula with amino acids, made from high quality bioavailable ingredients.

Custom Electrolyte Formula

Highly concentrated advanced formula electrolyte replacement for performance horses.

Liver - Kidney Clean

A proprietary blend of all natural nutrients and herbs that detoxifies and cleanses the liver and kidneys.

Ulcer - Plex

A proprietary herbal complex with added amino acid and mineral supplements. Promotes healing and increases protection of the stomach lining.

Tie - Up Formula

The latest research has shown that a healthy balanced intestinal flora helps to prevent muscle tie-up problems.

MSM - 99.9%

A nutrient sulphur product that helps joint and muscle flexibility. Also relieves arthritic and inflammation conditions.

Pro Lyte

A high potency sublingual syringe electrolyte with added benefits of DMG, branch chain amino acids, vitamins, and chelated minerals for optimum absorption through the mucosal membranes of the mouth.

DMG 3,000

Provides N, N-Dimethylglycine. This is a proven product that is a blood lactic acid remover which helps reduce muscle soreness and tie-up problems.

Biotin Complex

A balanced ratio of the three most important nutrients designed to maintain healthy hoof growth.

Procell - Liquid Supplement

This is a multi-vitamin tonic of all the most important nutrients that your horse needs on a daily basis.

Vitamin E and Selenium

One of the most important vitamins and trace minerals for the prevention of muscle tie-ups and soreness.

Muscle - Aid

A proprietary blend of all natural ingredients for muscle strength, repair and oxygen utilization.

C-K Plus Hesperidin Complex

A balanced blend of the most important nutrients formulated in the most absorbable synergistic ratio with each other. Helps the prevention of blood capillary system breakdown while also building a better immune system.

AirPro-D

Improves breathing by relieving bronchial mucus congestion, controls stable cough due to allergies from mold spores, dust and bacteria that weaken the immune system.

Creatine

Quick acting nutrient for increased strength, stamina and muscle size.

Bronchial Dilator

Improves breathing and lung mucus congestion, stable cough and allergy conditions. Increase oxygen utilization. Helps strengthen immune system.

Potassium Chloride

A natural mineral that is used to prevent low levels of potassium.

Milk Thistle

Helps to detox and cleanse the liver.

Vitamin C

Pure Vitamin C supports immune defenses.

B-12 Complex

Has a key role in the normal functioning of the brain and nervous system, and the formation of red blood cells.

Folic Acid

Helps build red blood cells. Improves oxygen.

Probiotic Gut Health

Proprietary formula blend that helps improve intestinal flora health.

N-Acetyl Cysteine

Prevents mucus build up and cleanses liver.
